Brown's Blackberry Ginger

Dysentery and Summer Complaint, than any other remedy in America. Tested for twenty years. Always safe, sure and reliable.

Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it-

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and mak-ing the blood pure and rich.

> Wm. P. Marshall, of Logansport, Indiana, writes : " My wife has for many years been trou-bled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters, and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medi-cines she has tried."

Leading physicians and clergymen use and recommend Brown's Iron Bir-TERS. It has cured others suffering as you are, and it will cure you.
